The aforesaid stock options will be vested after a period of one year from the date of grant.

Owing to the fact that it is very difficult to ascertain the exact amount of perquisite that would arise on account of exercise of the aforesaid Stock Options at a future date considering the fluctuation in the share prices of the Company, the Nomination & Remuneration Committee and Board of Directors of the Company have approved the proposal for seeking consent of shareholders for payment of remuneration to Mr. Pallab Banerjee in the nature of perquisites, which may arise as a result of allotment of shares pursuant to exercise of Stock Options on or before March 31, 2025, based on the market price of the shares from time to time and in such manner as may be approved or decided by the Nomination and Remuneration Committee/ Board of Directors, which is over and above the existing remuneration already approved by the shareholders on July 31, 2023. It is also important to note that perquisite arising on account of exercise of ESOPs does not result in any cash flow from the Company.

The remuneration (including perquisite(s) arising as a result of allotment of shares pursuant to exercise of Stock Options granted under ESOP Plan 2022, payable to Mr. Pallab Banerjee, Managing Director may exceed the limits permissible under Section 197 read with Schedule V of the Companies Act, 2013, for the financial year 2024-25, accordingly requisite disclosures as required under Schedule V forms part of the explanatory statement.
